Re: INFORMATION DISCLOSURE STATEMENT  
UNDER 37 CFR 1.56 and 1.97(b)

**Supplemental**

**Dear Sir:**

The references listed in the attached PTO Form 1449 may be material to the examination of the above-identified patent application. These references are submitted in compliance with the applicants' duty of disclosure pursuant to 37 CFR §§1.56 and 1.97, and the Examiner is requested to make same of official record in this application.

This Information Disclosure Statement is from a search report of a corresponding patent application pending before the European Patent Office, and is not to be construed as a representation that additional information (material to the examination of this application) does not exist or an exhaustive search has been performed or the enclosed reference(s) constitute prior art. The references cited by the European Patent Office are listed as K, Z, AA, BB, CC and Z5 in the revised PTO-1449 enclosed herewith.

This Information Disclosure Statement is believed to be filed before the mailing date of a first Office Action on the merits. Accordingly, the applicants believe that there are no fees due in connection with the filing of this Information Disclosure

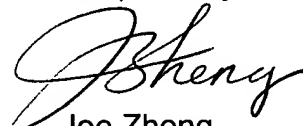

Statement. However, if the PTO believes otherwise please charge our deposit account No. 50-0968 any fees that may be due. Please telephone the undersigned at (408)777-8873, if there are any questions.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to "Commissioner of Patents and Trademarks, Attention: Petition Special, Washington, DC 20231", on ~~May~~ <sup>Feb. 11, 2002</sup>, 2001.

Signature: \_\_\_\_\_

  
Joe Zheng

Respectfully submitted;

  
Joe Zheng
